

LASA Individual® is as individual as yourself. Distinctive and rich in contrast or soft and warm or even a bit of both.

LASA Individual® isn't mainstream, guaranteed to always be a unique specimen that has many stories to tell: of its special history and its genesis which led to its fine grain, its glitter and its hardness. Also about the colours of its origin and of the large and small projects for which **LASA MARMO®** is used worldwide.
